Norwich, Thursday, April 13, 1916.

THE WEATHER. Conditions.

Temperatures are above normal generally east of the Rocky mountains.

There have been light local rains during the last 24 hours in the north Atlantic states. There probably will be local rains Thursday night or Friday in the in-terior of New York and New England. Elsewhere east of the Mississippi river fair weather will prevail during the

next 48 hours. The temperature will rise Thursday in the middle Atlantic and New Eng-land states. The winds along the north Atlantic coast will be moderate variable; middle Atlantic light to moderate variable, mostly south.

Forecast. Northern New England: Cloudy Thursday; Friday local rains.

Southern New England: Cloudy hursday and Friday, probably local Eastern New York: Partly cloudy Thursday and Friday, probably local showers in interior Friday; rising tem-

Observations in Norwich. The following records, reported from Sevin's pharmacy, show the changer in temperature and the barometric changes Wednesday:

Ther. Bar Highest 54, lowest 36.

DOROTHY NMANED BY CAPTAIN AND COOK Crew Left as They Declared Steamer is Unseaworthy.

It appears that the trials of the It appears that the trials of the good ship Dorothy, which attracted the New London police court Wednesday maring that he would have ago by entering New London harbor with a list of about 45 degrees to port, owing to a shifted cargo, are not over for at present the ship is manned by the captain and cook, the remainder of the crew having decided that shore looks good to them.

When London police court Wednesday morning that he would have fared better if he had spent Tuesday afternoon in the cotton mills instead of the gin mills. Thomas was before the court for intoxication and after pleading guilty had told the judge that he was until a few days ago employed in cotton mills at Nor-wich.

hat shore looks good to them. When the steamer entered t seemed from shore that she was disabled and tugs hurried to her as-distance only to discover that a cargo sistance only to discover that a cargo was the cause of the ship's list. The crew of the vessel, however, declare that she is unseaworthy and as a result many of them refused to go to see with her.

The Dorothy was formerly a Normal series of the ship of the The Dorothy was formerly a Nor-

weginn fruit steamer and she was not built for lumber cargoes. The vessel cently loaded lumber at Georgia for the Thames River Lumber Co. and after the vessel started it was seen that the trip would be dangerous and 12,000 feet of lumber was taken off. At that the cargo gradually shifted. The steamer was towed Wednesday norning to the Thames Shipyard at Riverside for repairs. It is thought that when repairs are completed there wil be no trouble getting the crew to return to work. Several days ago the captain of the steamer went to Bos ton and secured two mates and if nec essary another crew can be shipped
